

REAL WEDDINGS

Rashi  
and Daniel

- OCTOBER 18-19, 2013 -

Weddings  
in Houston.

*She's a news reporter for FOX/KRIV, he's a sports reporter for CBS/KHOU, and their Catholic-Hindu, utterly beautiful, two-day Houston wedding celebration is most definitely media worthy. Both first-generation Americans, Rasbi and Daniel made their backgrounds—her family is from India, his bails from Cuba—a major part of their nuptial event. Marriage rites and rituals included a Catholic cathedral wedding, a baraat and a Hindu ceremony, and, touchingly, a tribute to both sets of paternal grandparents, who had both recently celebrated their 60th wedding anniversaries. "It was a special moment because everyone saw how far our families have come," Rasbi says, "and how we were seamlessly coming together."*
