

I DO! BRIDAL SOIREE AT THE JW Marriott HOUSTON DOWNTOWN

On Thursday, Oct. 9, *Weddings in Houston's* signature I Do! Bridal Soiree brought its special brand of wedding inspiration to the newly opened JW Marriott Houston Downtown—and brides came in droves to experience the magic. With more than 500 guests on hand, the I Do! Bridal Soiree at the JW Marriott Houston Downtown was one of our most popular events ever, showcasing the expertise of A-list floral designers, rental and decor experts, photographers, videographers, bridal salons, bakers, beauty professionals and more, and indulging brides in VIP treatment. We'd like to extend special thanks to show photographer M. Wang Photography, red-carpet photographer Civic Photos, show videographer A&A Photo and Video, DJ and emcee Jonny Black of Jonny Black Productions, lighting expert DJU Productions, JW Marriott Houston Downtown director of catering Jeffrey Chirinos and his entire catering staff, along with the more than 50 extraordinarily talented Houston wedding vendors and experts who welcomed—and wowed—our beautiful brides. We look forward to meeting you at our next I Do! Bridal Soiree, coming to The Corinthian on Feb. 12!
