

— OLD FRIENDS, NEW FUN —

These two Houston hotspots offer one-of-a-kind diversions, perfect for celebrating with your friends before the big day. Enjoy either, or try both, during one full day of fun that starts with an adrenaline bang, and ends with deep relaxation.

ATHENA GUN CLUB

"You do not have to be an experienced shooter," to enjoy your Athena Gun Club experience, "you just need to have a love for firearms, and our staff will help you and your guests celebrate with a bang." So says Tasha Webber, marketing manager for Houston's most luxurious live-fire location.

Athena's state-of-the-art facility in northwest Houston is much more than a mere place to shoot. With 26 sleek lanes, a flawless digital pulley system and advanced ventilation system, Athena's live-fire range is, of course, its biggest draw. But this 38,000-square-foot destination offers plenty of other enticements.

"Here at Athena, we customize your event to fulfill your wants and needs," Webber says. Start your festivities in the club's dynamic virtual simulator, "running through Zombie and Wild West simulations," then "move to the real thing in our live-fire range, and finish over delicious appetizers and fresh cocktails."

No matter what Athena experience you choose, "We promise an out-of-the-box experience your wedding party won't be expecting and your friends won't easily forget. We'll surprise you with our knowledge and professionalism, our beautiful layout and high-end facilities, and ask you to come celebrate with ranges across the country that have coined the term 'gunny club.'"

HOTEL ZAZA + ZASPA

Sure, you and your gals can pop in to Hotel ZaZa's acclaimed ZaSpa for a quick massage, mani-pedi or facial. But why not make a day of it? Better yet—a whole weekend?

"Book the Black Label Magnificent 7 Suite with your girlfriends—this two-bedroom, two-bath suite, which also includes a large living area, is perfect for an impromptu dance party with your besties before heading out for the night," suggests ZaZa's Priscilla Walker. "Our complimentary shuttle and proximity to Midtown and Downtown make it easy to continue your night of bar and club-hopping!"

Before you head out, you may want to order room service to enjoy on the suite's well-situated balcony overlooking the Houston skyline, "then take the elevator down to Monarch and sip a Big Flirt cocktail while enjoying music by our live weekend DJs."

Pre-book the Big Chill room at ZaSpa for your private party the next morning. "Pamper your girls with any service on the treatment menu," Walker says, recommending the "Heavy Metal Manicure and/or Bubble Berry Pedicure—both come with a delicious bubbly drink!" Afterwards, wind down your whirlwind bachelorette weekend at ZaZa's swank poolside, with specialty cocktails and snacks.
